Gins

Makar, Glasgow 43% 3.75

Makar Glasgow Gin is a premium handcrafted gin produced in small batches in copper pot still. Makar Gin is made of carefully selected juniper complemented by seven harmonising botanicals (cardamom, black pepper, rosemary, lemon zests, coriander, liquorice) shipped to Glasgow from around the world. Worthy of its Makar name – the Scots word for poet.

The Botanist, Bruichladdich Islay 46% 4.15

From the Bruichladdich Distillery, For this, “The Botanist”, small-batch, artisanal Islay gin Bruichladdich have used nine of the classic gin aromatics and augment these with a heady harvest of 22 local botanicals, hand-picked by their expert foraging team from the windswept hills, peat bogs and Atlantic shores of this Hebrides island of Islay.

Daffy’s, Edinburgh 43.4% 4.20

Daffy’s is an exquisite gin crafted from the finest French grain spirit, this is then distilled in a small copper pot whisky still. To make a gin of this calibre only the finest botanicals are used, this includes Lebanese mint, orange and lemon peel from Spain and Orris root from Morocco to name a few.

Hendrick’s, Girvan 41.4% 3.95

The apothecary style bottle alludes to there being something unusual about Hendrick’s. Made in small quantities in two old stills in the coastal town of Girvan in Scotland, it’s a blend of two spirits with an addition of unique botanical infusions. Subtle hints of cucumber, rose petal, coriander, juniper and citrus.

Caorunn, Speyside 41.8% 3.70

Caorunn Gin is made from a combination of 6 traditional gin botanicals and 5 unique Celtic botanicals. It is distilled in small batches and uses the freshest highland water from the surrounding mountains to ensure the Gin is as clean as it can be.

Rock Rose, Dunnet Bay 41.5% 4.25

When we had a taste of this Gin we couldn’t get enough of it. It is such a great gem of a Gin which is hand-distilled by Dunnet Bay Distillers way way way up in Caithness Scotland. Rock Rose Gin gets its name from the botanical *Rhodiola rosea*, literally a rose that grows in the rocks. The botanicals are foraged along the cliffs of the Pentland Firth. The flavour of Rock Rose is unsurprisingly a touch sweet, heathery and so unique.

THE CLASSICS

DARK&STORMY

5.95

According to a Gosling's rum tale, this was invented over 100 years ago when a Bermuda navy officer added a splash of rum to their spicy ginger beer. We decided to add a touch of passion for good measure

NEGRONI

5.95

Designed as an aperitif, a Negroni is the very definition of balance and simplicity, its just equal parts, Bombay Sapphire, Martini rosso & Campari. (JC's favourite)

FRENCH MARTINI

5.45

The drink that helped kick start the flavoured vodka craze of the 90's. Its sweet & creamy due to the pineapple juice and Chambord liqueur,

CLASSIC MARTINI (GIN / VODKA)

5.95

A simple cocktail with a big history, which reached its height in the 90's cult show Sex & the City. Absolut vodka, orange liqueur and cranberry juice blend together with a little help from fresh lime juice and a flamed orange peel.

WHITE OR BLACK RUSSIAN

5.75

The "Russians" are decadent & sophisticated, served on the rocks as an alternative to adult milk shakes. Absolut vodka and Kahlua are the staple of these two drinks, cola is added for black and milk and cream for white. You decide!

MAITAI

5.95

The most famous tiki cocktail and for good reason. The first person to try it cried out Mai Tai, meaning "out of this world" in Tahitian. Fine Havanna rum, a splash of Kraken rum, a drop of orange liqueur, shaken with pineapple juice, almond syrup and a dash of fresh lime juice, it's a must try cocktail.
